Re: Closure of Notice of Violation Colony
Trailer Park
Docket No. SDWA 08-2004-0040
PWS ID# ND5100662

Dear Mr. Long:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Notice of Violation issued August 11, 2004 and not to pursue further enforcement action against Colony Trailer Park, Docket Number SDWA 08-2004-0040. This decision is based upon EPA's understanding that the North Dakota Department of Health issued an Administrative Complaint and Order on September 27, 2004 that addresses the failure to monitor for bacteriological quality violation, failure to monitor for nitrate violation, failure to monitor for volatile organic chemicals violations, and the failure to monitor for lead and copper violations that Colony Trailer Park received between 1999 and 2003.

If you have any questions about this decision please call Jackson Naftel of my staff at (303) 312-6362.

Sincerely,

SIGNED

Office of Enforcement, Compliance
and Environmental Justice
